FEMA NATIONAL DISASTER RECOVERY FRAMEWORK WORKSHOP: The FEMA Region 6 Office hosted an NDRF Workshop from July 15-18, 2014, in Denton, TX. Representatives from Region 6 state and federal Recovery Support Function (RSF) agencies/organizations, as well as national/regional FEMA departments, participated to discuss the NDRF, the All Hazards Plan, each Agency's role in recovery as a whole, and to begin building teams focusing on each RSF area. FEMA will be undertaking a 6 week process to create a plan for implementing the NDRF within Region 6 and is asking for participation by each Agency. 6WQ and 6SF management and staff attended the workshop. **Suzanna Perea, 665-7217; Karen McCormick, 665-8365; Mary Kemp, 665-8358.**

CORPUS CHRISTI LIVABILITY SUMMIT: On July 21st, agency contacts of the Region 6 Partnership for Sustainable Communities held a kick-off call with representatives of the Corpus Christi Metropolitan Planning Organization (CCMPO) and TXDOT to begin planning efforts for a one-day Livability Summit scheduled for October 15, 2014. CCMPO representatives explained that the Summit's objective is to identify sustainable community enhancement opportunities along the US-181 Harbor Bridge area and broader issues at the Port and City to address various community needs, align opportunities with the City's Sustainability Plan and Connectivity Plan, as well as incorporate sustainable community opportunities in its AIA Regional/Urban Design Assistance Team (R/UDAT) community workshop and action plan. The City's Connectivity Plan includes hike-and-bike trails for connectivity to recreational/ destination point areas, walkability/livability of residents and tourists, as well as revitalization and economic opportunities. CCMPO indicated issues of concern include the Northside EJ area, industrial and urban areas, destination points, and etc. **Suzanna Perea, 665-7217.**
